Dear Brothers and Sisters in Christ,

I endorse and support the Life Chain project to be organized in Peterborough this fall. The protection of life from conception to natural death is a sacred and foundational tenet of our Faith.

I was pleased to participate in last year's Life Chain along the sidewalks of Lansdowne Street at Monaghan Road in Peterborough. It was a silent and moving witness of dedicated people committed to the defense of life in the womb.

I take this opportunity to thank you for your faithful witness to protect the sanctity of all life and provide the assurance of my prayers for this public pro-life witness.

Yours in Christ,
