Memorial St. Therese of the Child Jesus

Dear Friends in Christ,

Throughout the Roman Catholic Diocese of Peterborough, many volunteers assist in a wide range of ministries, activities, and services. Those who volunteer offer their good works to serve generously with love and charity.

To ensure the safety of its members, all organizations responsibly develop and follow established screening procedures to serve as a prudent guideline for their volunteers and those whom they serve. For this reason, it is important to ensure their ongoing revision and corresponding updates. Accordingly, please find attached to this letter the updated and revised Volunteer Screening Program for the Roman Catholic Diocese of Peterborough.

It is the policy of the Diocese of Peterborough that all volunteers be screened in accordance with these procedures. Parish screening committees have been established for this purpose and will continue to update their practices.

I express my appreciation to the volunteers who offer the sharing of their expertise and time for the good of the Church and its faithful.

Yours in Christ,

†Most Reverend Daniel J. Miehm, D.D.
Bishop of Peterborough

†DJM/dlt
