

Future State Recommendations

Fourteen recommendations are suggested to improve the situation for the CCODP and for how it works with the CCCB. Most of these recommendations are **interdependent**: The future state might only be reached if they are **implemented together**.

Structure

- 1** Strengthen the CCODP governance and confirm roles of governance bodies
- 2** Adapt the composition of the CCODP National Council to ensure that it reflects the CCCB's desired level of representation
- 3** Decrease the size of the CCODP National Council, and increase the number of National Council meetings

Criteria

- 4** Articulate the CCODP Partnership Policy in a concrete process for the International Program Staff, Management and the National Council of the CCODP
- 5** Actualize, clarify and prioritize essential criteria to update the CCODP Partnership Policy
- 6** Establish an International Partnerships Committee on the CCODP National Council

Reporting

- 7** Confirm reporting needs based on the updated governance
- 8** Agree on standards of performance and financial objectives for the CCODP
- 9** Establish a Confidentiality Policy within the CCODP

**Communication
Mechanisms**

- 10** Work jointly on communications
- 11** Support the CCODP Regional Directors in communicating with bishops across Canada

**Crisis
Management**

- 12** Establish a shared response process when a crisis arises

Culture

- 13** Initiate cultural change and increase leadership in key areas
- 14** Take tangible actions to implement the chosen strategy
