

## **Pledge of Commitment to Protect and Heal God's Creation**

This Pledge of Commitment may be read in unison or in alternation:

We have come to renew our covenant with God and with one another in Christ Jesus, our Lord.

We have come to help protect God's creation.

We have come as followers of Jesus to commit ourselves anew to one another and to heal injustice and poverty.

We have come to stand together against all threats to life.

We have come to discover some new beauty every day in God's creation: the sunrise and sunset, birds, flowers and trees, rainbows in the sky, the stars, and the many forms of life in the forest.

We have come to listen to the "music of the universe"- water flowing over rocks, the wind, trees bending in the wind, raindrops pattering the roof.

We will remember always that God speaks to us through the beauty of his creation, and we will try our best to answer God's call to reverence all that he has created.
