REVIEW - The Sacraments

- Sharing in the life of Christ is similar to the development, and nourishing of natural life.
- There are seven sacraments: Baptism, Confirmation, the Eucharist, Penance, the Anointing of the Sick, Holy Orders and Matrimony.
- The seven sacraments touch all the stages and all the important moments of Christian life: they give birth and increase, healing and mission to the Christian's life of faith.

Five Key Points

- The Sacraments show us God's love present in our lives at pivotal moments, especially in moments of great suffering.
- Through the sacraments, the Church continues Jesus' work of healing and salvation. In particular, this is the purpose of the two sacraments of healing: the sacrament of Penance/ Reconciliation or Confession and the sacrament of Anointing of the Sick.

Five Key Points

- Through the Sacrament of Reconciliation or Confession:
 - a) Our sins are forgiven, and if we were separated from God, we are reunited with Him;
 - b) God helps us to do better.
- Sin is knowing what God wants and deciding not to do it. Sin offends God, hurts the one who commits the sin, and also hurts others.
- God will forgive our sins if we are truly sorry for them and mean not to do them again.
