

# 1918-2018 - 100 YEARS

## Of the Congregation of the Sisters of the Passion of our Lord Jesus Christ

The Polish Congregation of the Sisters of the Passion of Our Lord Jesus Christ (the Passionist Sisters) are celebrating 100 years of our existence. July 13<sup>th</sup> 1918 was the date when the Congregation canonically was erected by the Holy See. The main celebration took place in Warsaw on July 15<sup>th</sup> 2018. Our community in Peterborough will commemorate this special event on Sept. 16<sup>th</sup> at Immaculate Conception Parish.

The year 2018 also marks the 100<sup>th</sup> anniversary of Poland's regaining independence. Coincidentally, we celebrate these two important events as Poles and as religious.

Our Sisters are a semi-contemplative Congregation with apostolates in education, health care and in missionary endeavours. The 220 sisters work in Poland, Canada, Cameroun, Germany and Italy, serving the Church wherever needed. For the grace of God our community and works will flourish.

Sharing this joyful news, we invite our Bishop Daniel Miehm, all the clergy, religious and faithful of our Diocese to join us in prayers of thanksgiving. Let us pray also for vocations to the priesthood, religious life and to the Passionist Sisters that the charism of Mother Josepha Halacinska will be carried on in world today.
